12 Lead Transmission - Zoll

PROCEDURE

SEND THE 12-LEAD

1. Obtain the 12-lead
2. In the 12-lead menu, click the clipboard with the green checkmark to open 12-lead memory
3. Scroll to the 12-lead by time/date and confirm
4. Review the selected 12-lead before sending
5. Choose the destination — arrow up/down to select the facility; scroll to highlight Transmit
6. Click the envelope and transmit the reviewed 12-lead to the destination

REVIEW FIRST

- After a 12-lead is selected, you can review it before sending

CHOOSE THE DESTINATION

- Arrow up/down to select the facility
- Scroll to Transmit to highlight it, then transmit

IF YOU NEED HELP

Call the on-duty supervisor, or Eric Howard, NREMT-P, CCEMT-P, FP-C, I/C

Eric Howard — Mercy EMS Clinical Educator, Mercy Regional Emergency Medical Services

Office: 417-820-5407

Cell: 417-839-7210

Take Home Message:

Review the selected 12-lead first, then transmit it to the chosen facility — and call the on-duty supervisor or Eric Howard if you need help.
